

**The National Capital Area Garden Clubs is Hosting  
the CAR-SGC 2019 Conference on October 24 & 25**

The theme of the 2019 Central Atlantic Region of State Garden Clubs Conference is *A Capital Harvest*, during which we will be focusing on Farm to Table initiatives. Everyone who attends the Conference will receive a Program Booklet. The Booklet will be a guide for that person for the event and will include advertising from those who are helping to support the event. One or more pages will be dedicated to Patrons. We are asking States, Districts, Garden Clubs, Club Members, friends and local businesses to support the event by being a Patron.

**Patron levels for donations are:**

Definition of donation	Amount	Your donation
Table	More than \$150	
Farmer's Market	\$105 - \$150	
Community	\$55 - \$100	
Farm	\$10 - \$50	

If you choose to be a Patron, please identify in the Your donation section above, the amount of your donation. Then show here how you would like your entry to appear in on the Patron Page in the Program Booklet:
